**VICTORIAN GARDEN PARTY TO BE HELD AUGUST 6TH FOR GIRLS & THEIR
AMERICAN GIRL DOLLS**

June 2016.....The American Girl Doll Garden Party brings an afternoon of old-fashioned fun to young girls ages 5-10 on Saturday, August 6th.

Girls and their dolls, accompanied with an adult, will learn the language of flowers, enjoy lemonade and sweet treats, create a craft from pressed flowers, and play lawn games just like young girls growing up at the turn of the century would do. A special display of the original Samantha doll, the 1904 character, and her summertime accessories is always a highlight of the day.

Take a tour of the museum and see the displays of the 1920s Decade That Roared exhibit. There will be prizes and raffles, and a visit to the Gift Shop always hold special treats for the dolls and moms too.

Two seatings offered: 12 noon or 2:30 p.m.

Tickets to members go on sale July 1, and to the general public on July 6th. General price is \$27 for the adult/child pair; \$17 for additional child, with discounted member pricing at \$25 and \$15. Because of limited seating under the tent, we ask that you kindly limit adult attendance to allow ample space for the many girls who want to attend. Reserve tickets by calling Hearthsides at 726-0597.
